

INTERNET PRIVACY STATEMENT

This statement describes how information is shared and collected on our website.

Please review it carefully.

This statement describes how information is shared and collected on our website and through service transactions. Please review it carefully.

YOUR INFORMATION

Information shared on our website is encrypted (encoded) and protected using Secure Socket Layers (“SSL”). We follow commercially acceptable industry practices to protect any information that is shared with us online. However, no method of transmission is guaranteed to be 100% secure. Therefore, while we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security. If you feel your information has been compromised, please notify us using our contact us page.

DATA COLLECTION

We use various technologies to collect and store information when you visit our website, and this may include using cookies or similar technologies to identify your browser or device. Cookies are small files which are stored on a user's computer. They are designed to hold a modest amount of data specific to our website and can be accessed either by the web server or the client computer. **The information collected or used does not contain information about your personal health history.** Information we obtain helps us to tailor our site to be more helpful and efficient for our visitors. You can set preferences for how your Internet browser advertises to you using their Privacy and Security settings.

We sometimes partner with a third-party ad network to manage our advertising on other sites. Our ad network partner uses cookies, and other tracking technologies to collect information about your activities on this and other websites so that we can provide you with advertising on other websites. **The information collected or used does not contain personal information about your health history.** It is simply a mechanism that allows us to identify your interests in our services. You can set preferences for how your Internet browser advertises to you using their Privacy and Security settings. You can also opt out of targeted ads by visiting www.youradchoices.com/control.

If you provided us with your email address on this site or in any of your service transactions with an affiliated practice, we may use it to send you information about our services. We will never sell or rent your email address. Even if you have given us your email address, you may revoke that permission at any time by following the "unsubscribe" information at the bottom of the email.

Any data collected, such as IP addresses, cookie identifiers or email address, will be used in accordance with our privacy policy and the search engine's privacy policy. You can set preferences for how your Internet browser advertises to you using their Privacy and Security settings. You can also optout of targeted ads by visiting www.youradchoices.com/control.

TERMS

We can change the terms of this privacy statement. The new statement will be available upon request, and on our website. This privacy statement is effective as of October 2018.

This Internet Privacy Statement applies to Northeast Dermatology Associates and Brookline Dermatology Associates, an Affiliate of Northeast Dermatology Associates.
